

The Legends at Village West Offers Visitors a Walk through Kansas History

The Legends at Village West, offers a new component to the one-of-a-kind experience found at the center: education. Along with shopping, dining and entertainment, visitors of all ages can enjoy an audio walking tour of the more than 80 Kansas legends represented visually on medallions, posters, murals and in sculpture throughout the center.

The Legends honors legends of Kansas in athletics, music, exploration, science, technology, politics, art and much more, recognizing the things that truly make the state unique. The legends theme is interwoven through the landscape, hardscape, amenities and architectural motif, offering a glimpse into Kansas' history, heritage and environment. Each corridor and courtyard of the center is dedicated to a particular category of famous Kansans or aspect of the state and its history. A free self-guided audio walking tour leads visitors through each corridor, providing information about the legends and the artistic representations in which they are depicted.

The Legends is proud to provide such a uniquely fun and educational option for visitors looking to enhance a traditional shopping excursion. The tour was created for listeners of all ages and is ideal for class projects, field trips and family outings.

The self-guided audio tour allows visitors to move at their own pace, spending as much time as desired at each of the 28 stops along the way and anywhere in between. The easy-to-use audio player is perfect for all ages, providing listeners the opportunity to pause, move forward or move backward at any time for a completely customized experience. The complete tour is 100-minutes, however an abbreviated version is available upon request. Additionally, a map of the tour and index of the legends is provided for handy reference.

The audio tour is free to the general public, and reservations are accepted. Headsets can be obtained from the Customer Service office during office hours. The map and index are available to visitors touring with or without a headset. For more information or to make your reservation, call 913.788.3700. For details on the walking tour, [click here](#).
